LEST WE FORGET!

Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel on his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1899:

William S. Taylor.....193,714

William Goebel.....191,331

Taylor's Plurality.....2,383

THE Goebel Law is the most fitting monument that GOEBEL could have.

THE repeal of the Goebel Law by the men who have become its beneficiaries would be a wanton insult to the memory of GOEBEL.

BEFORE we get into the heat of the campaign we want to know why Maysville has not had a balloon ascension this year. Have the people's taste soured, or is Colonel FREMONT on the sick list?—Cynthiana Democrat.

Neither, neighbor. We're just waiting on Colonel SAM STAIRS to come up with the supply of hot wind.

THERE are two Goebel papers in Paris—The Democrat and The Kentuckian-Citizen. Both fly the name of BECKHAM for Governor, but the former has run up the name of SOUTH THIMBLE for Congress while the latter hoists the name of WILLIAM B. MOODY. This shows that there are so many Democratic parties and so many kinds of Democrats in Kentucky that all one has to do is to pay his money and take his choice.

CAMPBELL is the whole thing at Georgetown. He insults lawyers for the prisoners, leads the witnesses, ignores the Court, shoulders the Commonwealth's Attorney out of the way and conducts himself like the unmitigated hoodlum that he is.—Louisville Commercial.

THE LEDGER is at loss to know what the "unmitigated hoodlums" have done to warrant such a gross insult. There isn't a Negro bum in Cincinnati's Rat Row or in the Bowery of New York who isn't a gentleman in comparison with TOM CAMPBELL.

THE Washington Post, one of the ablest and most influential papers in the East, says GOEBEL is dead, but Goebelism still lives, and in a form that is offensive not only to Republicans but to tens of thousands of the flower of Kentucky Democracy. Goebelism is represented by the power behind the Goebel Election Law, which lodges supreme control in a state Board of three Democrats, to throw out or declare elected such candidates as they may see fit, regardless of the ballots cast. The spirit of the new-born tyranny which found expression in a long list of extraordinary performances at Frankfort last winter and spring is poisoning the judiciary and has thoroughly alarmed honest and well-meaning men without regard to party affiliations.

A keen sense of personal danger is behind the war against Goebelism. Over in Georgetown a trial is in progress. Men indicted for political murder are on trial for their lives. Now, nobody wants the assassins of GOEBEL to go unpunished, but there is about those Georgetown proceedings a display of brute force and undisguised malignity that startles thinking people and fastens upon them a species of terror. It is a demonstration of the ruthless length to which the machinery of the law, directed by a bitterly partisan Judge, can go for the punishment of political offenses committed or alleged to have been committed by political opponents. The Georgetown Judge and the people who are with him in the storm center at this juncture may not, and probably do not, realize it, but they are on trial before a Jury composed of the people of Kentucky quite as tragically as the poor wretches now in their clutches are on trial before a Jury of Scott county farmers.

The discriminating public will find Rogers' "Limestone" bottled in bond and consequently absolutely pure, for sale Eddie Glenn's.

Children often cry, not from pain, but from hunger, although fed abundantly. The trouble arises from indigestion; their food is not assimilated, but devoured, by worms. A few doses of White's Cream Vermifuge will destroy the worms, when the children will begin to thrive at once. Price, 25 cents. J. Jas. Wood & Son.

The colored Masonic Grand Lodge will meet at Frankfort the early part of next week.

Mrs. Scott, formerly Miss Lucretia Barnes, has a fine daughter at her home at Nicholasville.

William Bowles, who went to Paris two years ago from Bracken county, committed suicide last Saturday night by taking strychnine.

Herbina clears the complexion, gives buoyancy to the mind, cures headache, regulates the stomach and bowels, stimulates the liver and is, in fact, a perfect guardian of the health. Price, 50 cents. J. Jas. Wood & Son.

Mrs. Joseph D. Wood has rented the Convent property just West of the Church of the Nativity and will soon open her boarding-house there.

The blood is strained and purified by the kidneys. No hope for health while the kidneys are wrong. Foley's Kidney Cure will make healthy kidneys and pure blood. Nothing else "just as good." J. Jas. Wood & Son and Armstrong & Co.

Master Commissioner Kehoe sold Saturday fifteen acres of land on Jersey Ridge belonging to the estate of the late Henry Baldwin to the latter's widow for \$650. A sixth interest in the dower of Baldwin's mother was also sold to the same party for \$250.

There is no longer any excuse for anyone to endure the torture inflicted by piles when Tabler's Buckeye Pile Ointment will cure them, a remedy so moderate in price and so effective. Price, 50 cents in bottles. Tubes, 75 cents. J. Jas. Wood & Son.

Mr. Fred W. Bauer, job printer, of 4 East Second street, says:

"For a year or more I had considerable pain in my back. The secretions from the kidneys were dark, and there was some inflammation of the bladder, evidenced by a sensation of scalding. Doan's Kidney Pills came to my knowledge and I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. The treatment soon restored the kidney secretions to a natural color, ended the inflammation and banished the pain from my back. If a cold or any other cause should bring on a recurrence I now know what to use."

COAL FLIES!

IN SOME FAMILIES.

Not by reason of carelessness or extravagance. It is the nature of the Coal. Good coal to make a good fire, but not worth anything for heating purposes. See that such coal is to be used in your house. But your coal is not certain to be good. Regular consumers of our cheapness—Kamacha Coal and all other grades of coal—will find a word of complaint, but this is not the case. And we consider that a mighty good sign. For sale on 2 by.....
